

**REMARKS**

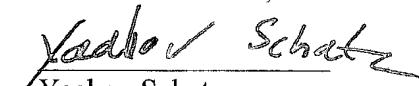

The present application includes claims 1-26 and 31-34. Claims 27-30 are cancelled herewith. Claims 31-34 are new. Claims 1, 4, 6, 8, 9, 18 and 19 were amended.

Claim 6 was objected to for using the term "the shortest target time" instead of "the closest target time". The claim was corrected accordingly. Claim 1 was rejected for lack of antecedent for "the assigned channels". Antecedent was added to the claim based on wording from the preamble.

Applicants thank the Examiner for indicating that claims 4, 6-7, 9, 19-20, 23 and 25 are allowable. Accordingly, claim 1 was amended to include the limitation of claim 9, claim 4 was converted into independent form by including the limitations of claims 1 and 3 and claim 6 was converted into independent form by including therein the limitations of claim 1. Claim 18 was amended to include the limitation of claim 19. Claims 31, 33 and 34 present old claims 20, 23 and 25, respectively, in independent form.

In view of the above amendments, applicants respectfully submit that the claims are allowable. A notice of allowance is respectfully awaited. If, however, the Examiner disagrees, applicants respectfully request that the Examiner call the undersigned at +972-3-9021245 or send the undersigned an email ([yaakov@ipfactor.co.il](mailto:yaakov@ipfactor.co.il)) requesting that the undersigned call the Examiner, in order to resolve any remaining open issues. Please note that the telephone number is in the Israel office of applicant's agent and Israel is 7 hours ahead of Washington.

Respectfully submitted,  
Abraham FISHER, et al.
